1. Booking process

A booking is possible if made by either a client online or by the staff of Traventuria Ltd. when a certain program and price have been agreed beforehand. In both cases an invoice is issued and sent for payment, which also represents the confirmation of Traventuria Ltd. for the services, ordered by our clients. Any special requirements and medical problems should be reported by the client at the time of booking. After the full payment is received a set of documents will be sent over to the client, or provided directly to him on arrival, containing vouchers and other relevant information if needed (trip notes, route notes etc.). Please make sure all details inside are correct and contact us immediately should you notice incorrect or missing information.

2. Payments

All clients are required to pay a non-refundable deposit of 150 Euro per person for their booking to be confirmed (valid for multi-day tours), or smaller amounts in other occasions (i.e. one-day tours, transfers, ski packages). In any case the required deposit will be made clear on your invoice. If a reservation of flight ticket is needed we may ask the full amount of the ticket to be paid as well at the time of the deposit payment. Full payment should be received not later than 40 days prior departure. If your booking is made within 40 days of the departure date then the full amount is payable at the time of booking. If the services you have ordered amount to less than 100 Euros per person then the full amount may be required at the time of booking. If full payment is not captured on time we will send you a written reminder and if no payment follows within 5 days, we reserve the right to cancel your reservation. Payment deadlines are always available inside the invoices received by the clients and should be followed strictly. Bank charges should be shared between the client and Traventuria Ltd. It happens often that wire transfers made outside Europe use intermediary banks in Europe, which transfer the payment afterwards to us. These intermediary banks charge extra (appr. 20-30 Euros per transfer). All clients should make sure their bank doesn’t use such mediators, otherwise the charges of the latter will also be added to the final bill of the client.

3. Booking alterations

Changes of the published prices by Traventuria Ltd. before your booking confirmation shall not be treated as indecorousness from our side. Although we do our best to maintain up to date rates throughout our websites, unfavourable changes in exchange rates, local operators’ costs, transportation costs and taxes may occur, which will affect the final price. In such cases we will cover any increase up to 3% of the published price, but the client will be responsible to cover the balance and will be notified about the changes as soon as they become known to Traventuria Ltd. If the increase is more than 10% the client can cancel the reservation within 10 days of the notification and the deposit will be fully refunded. If a full payment is received by that time however no surcharges will be paid by the client. If a client wants to do changes in the tour program it is necessary that these
are advised as early as possible. Although we will make efforts to satisfy those changes we do not guarantee that we will be able to meet such requests. Tours and services with mixed-up starting dates due to clients' fault may not always be handled if the mistake is noted less than 5 days before the starting date of the services. Administrative taxes of 45 Euros up to 100% of the package price will be applied in such cases.
